ABOUT PHLIPTON

'Phlipton is a leading Smart Automation and Internet of Things (IOT) solutions providing company for Homes, Enterprises, Hotels, Hospitals, Senior Living and Warehouses.

Our offerings enable Smart App based control of switches, curtains, blinds, remote door locks, air conditioners, media devices, camera, video door phones and include monitoring of sensors for safety and security related to smoke, gas leak, door intrusion and more.

Our choice of wireless and wired deployment options allow users flexibility, minimize disruption and allow them to easily adapt the solution as their needs change. Users have access to control and monitor devices through Smart Apps or through voice control via Google Home or Amazon Alexa.'

zigbee Wireless Scene Switch

- Wireless remote control.
- Four different color options (Silver, Gold, Black & White).
- Up to 12-month battery life.
- 12 different scene controls.
- Supports Type-C charging.
- Comes with a magnetic wall plate.

zigbee Smart Rotary knob for lighting control

- Can control dimming, turn on/off and can change the color of Phlipton Zigbee lights
- Can control 5 different scenes to control all Phlipton devices
- 1-year-long battery life
- 2-in-1 mode: 1-scenario mode, 2-Zigbee lighting control remote
- Comes with a magnetic plate for easy installation and portability

SMART CENTRAL CONTROL PANEL

- In-wall multi-functional smart central control touch screen panel with built-in Zigbee gateway.
- Can operate more than 128 mesh devices and all Phlipton devices, cameras, and video doorbells.
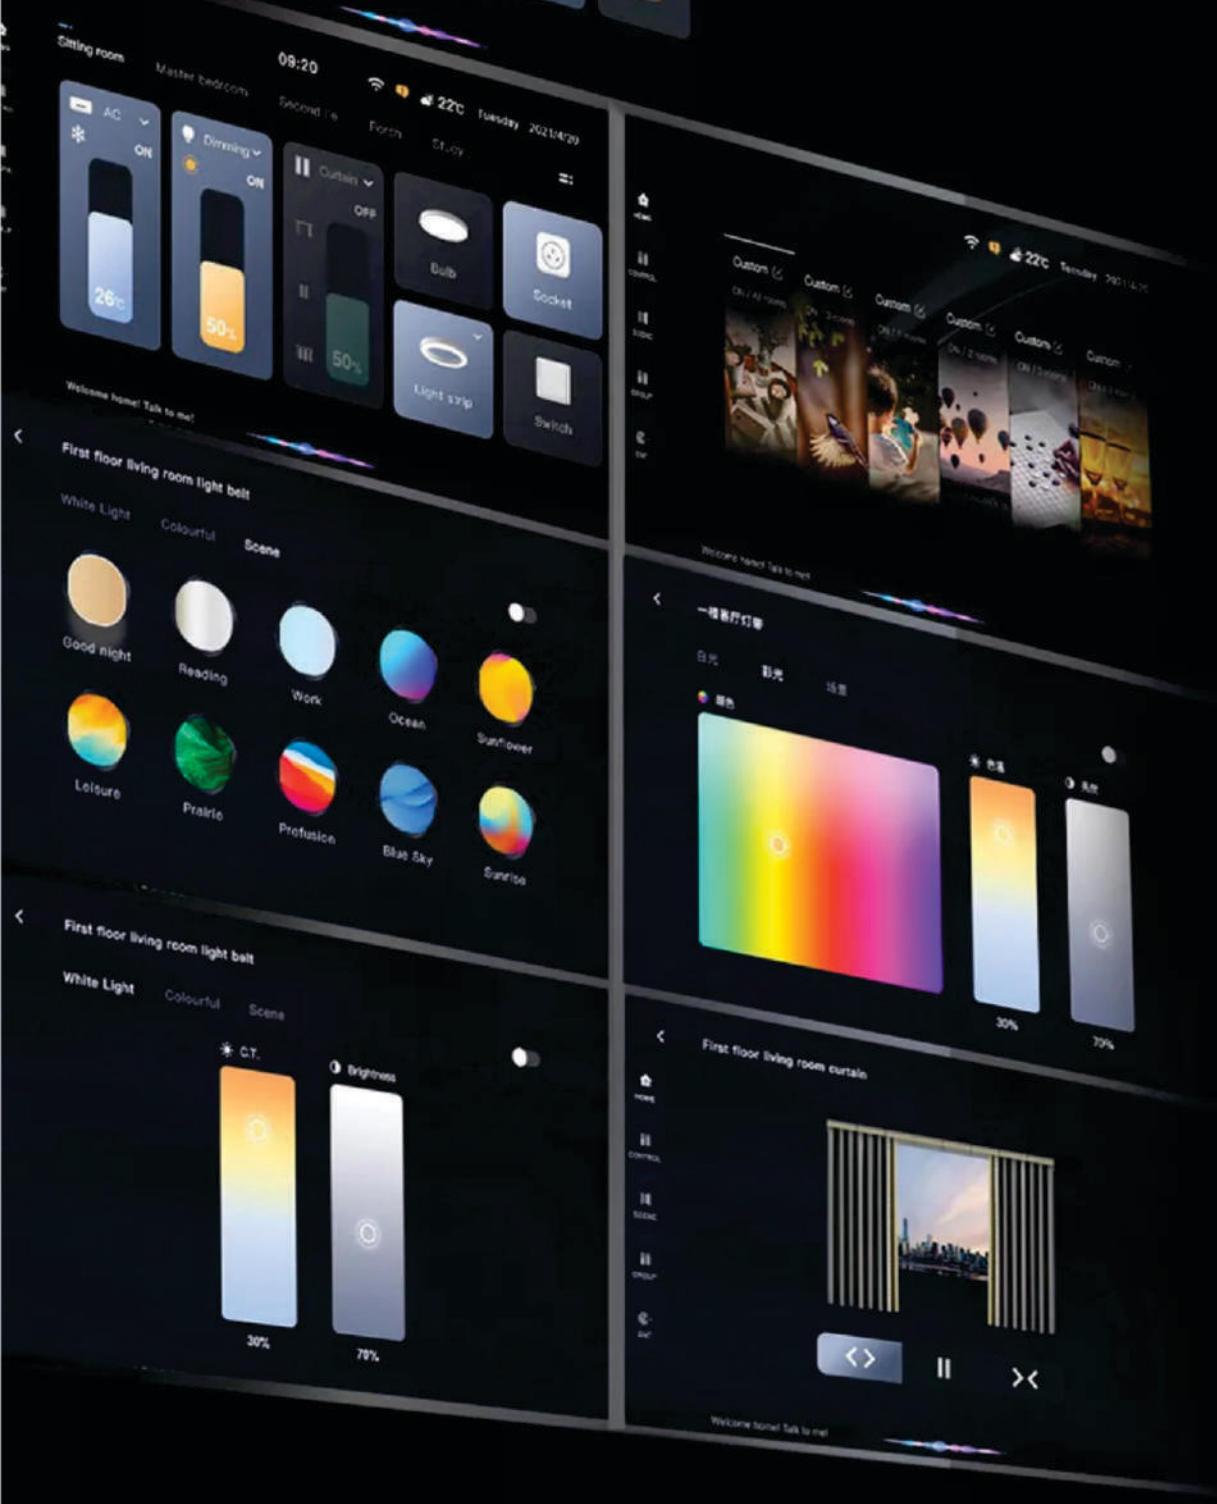

Phlipton 8" Multi-Functional ⓩ zigbee Central Control Panel Cum Music Amplifier With Knob Function

- An extremely powerful central control device for all Phlipton smart devices, equipped with intelligent scenes and capable of receiving calls and alerts from doorbells and cameras.
- Supports up to 128 Zigbee devices and acts as a Zigbee gateway.
- Features an 8-inch high-quality IPS full-screen touch panel with a resolution of 1280 x 800.
- Supports standard 86 box installation.
- Automatically adjusts brightness according to the environment.
- Supports WiFi, Zigbee, Rs485, Bluetooth, and TF card to meet different customer needs.
- Equipped with a 2x25w @8ohm TI built-in amplifier for optimal speaker output.
- Features a smart knob adjustment for adjusting room temperature, light dimming, opening and closing curtains, and adjusting volume.

Phlipton 4" Multi-Functional ⓩ zigbee Central Control Panel With Alexa Support

- Now Comes with inbuilt Alexa Support for voice control.
- Support Two-Way Communication with door bells
- An extremely powerful central control device for all Phlipton smart devices and intelligent scenes.
- Supports upto 100 ZigBee devices & acts like ZigBee gateway
- Support for audio input and output functions.
- Support for the TF card
- Auto Brightness adjusted as per environment
